PROFESSIONAL EXPERIENCE

Associate Consultant

Jan 2025 – Present

KPMG India

- Review, redline and negotiate third-party vendor contracts and amendments as part of end-to-end contract remediation, aligning terms with regulatory and policy requirements including **Data Privacy**, OCIR and DTA.
- Negotiate third-party risk positions directly with suppliers and subject-matter experts, recommending risk mitigation positions to protect the firm.
- Act as point of contact for sourcing, supplier-management and legal teams on third-party contract updates.
- Handle complex **Member Firm Agreements** and **Tax Engagement Letters** across multiple member firms, making sure the recharge policy is followed.
- Carry out in-depth risk screening of third-party vendors before onboarding, and ensure contracts comply with Supplier Control Obligations (SCOs) and governance frameworks.
- Support RFPs, RFxs and vendor negotiations to get the best balance of commercial value, risk and compliance.
- Partner with cross-functional teams to embed new policies and risk-mitigation measures; present project progress, key risks and themes to stakeholders.
- Monitor contract controls, audits and data quality across procurement cycles; maintain accurate contract data for regulatory reporting, and drive process improvements and buying-channel optimization.

Contract Manager

Aug 2022 – Dec 2024

EXL Service, Noida

- Managed the full contract lifecycle, from drafting and review through negotiation, execution and signing.
- Drafted and reviewed contracts with close attention to terms and conditions, and monitored ongoing compliance with agreed obligations.
- Served as the point of contact for external parties during contract negotiation and execution.
- Worked with internal teams on contract reviews to make sure business requirements and risks were reflected.
- Indexed, documented and maintained contract records so agreements were easy to track, retrieve and audit.
